Istanbul Hair Transplant Tour (3 nights/4 days)

Day 1. Arrival in Istanbul-Istanbul Airport:

On arrival, a friendly Mavi Tour representative will receive and drive you to your hotel.

The hotel will be in European or Asian side of Istanbul depending to the Hospital selected for the hair transplant.

Day 2. Istanbul

Transfer from hotel in the morning at 9.00am and back to the hospital around 6.00pm depending upon when the procedure if finished.

In the morning you will have to undergo blood works and ECG, if needed to ensure you are ready for the hair transplant procedure.

About Hair Transplant Doctor: Iftikhar Ahmed (M.D)

Dr. Iftikhar is a Turkish national and a qualified Urologist surgeon who has been in practice since last 27 years including hair transplant since over last 5 years. He has carried out hundreds of successful hair transplant procedures with hundred percent success rate. He is also acting as a consultant to the government of Turkey on matters relating to social security.

He is a licensed hair transplant practitioner, his license issued by the Ministry of Health, Turkey.

He is fluent in English, Urdu, and Turkish languages.

Brief of Hair Transplant Procedure:

Hair transplant procedure (mostly Sapphire FUE) will last the whole day depending on the number of hairs to be grafted. The procedure starts in the morning at 9.00am including carrying out the blood tests, ECG, administration of local anesthesia, punch incision around hair follicles, extraction of follicular units, harvesting and implantation of the grafts. There will be half-hour break for the lunch.

We will drive you back to your hotel, it is advised that you stay indoors at the hotel.

Day 3. Istanbul:

To avoid any infections, exposure to vagaries of the nature and other risks the patient is advised to stay at the hotel and rest.

Day 4. Istanbul:

Visit to the hospital today at the agreed time for the removal of bandage, cleaning and shampooing of the transplanted area. The doctor/medical staff at the hospital will give the instructions for the maintenance of hair going forward. The whole procedure at the clinic will last between 1.00 to 1.30 hours.

Transfer to the airport according to your flight time back to the home country already booked by you.

If you prefer to stay further, we will be delighted to help you with the extended stay including arrangements for the hotel and sight-seeing tours at additional cost.
